PARENTS

I have to look after my siblings.

Look at your possibilities!

WOW

Look how much you do!

Education is important ... but we cannot support you.

I'll support you!

I feel lost ...

Right this way!

You can do this!

I'm not ready ...

Tell me about your dreams!

I never really thought about this.

I got lost ...

Let's find a way together!

We need all of you!

We'll do, what we really like!

My network is your network!

Scholarship? For me?

Yes! You also do community service.

We found the perfect fit for us!

Do I really need to go to university?

Maybe a vocational training could be something for you?

I have a brilliant internship offer for you!

I know someone who ...

I don't know someone who ...

I have no money ...

Education is important ...

... we'll show you how to succeed!

THIS WAY!
